About Cygnets Infotech

Established in 2000, Cygnets Infotech works with clients across 35 countries and has a strong team of over 1000 employees. Cygnets Infotech's offerings range from IT Services, Technology Products, and Tax Technology solutions. Aligned with its vision of providing technology enabled business solutions, Cygnets Infotech delivers end-to-end solutions for clients' most pressing business needs.

Cygnature by Cygnets Infotech is a blockchain-based digital signing solution that securely authenticates signers. With Cygnature, users can sign documents from anywhere, anytime using any device quickly. It is a feature-rich solution that provides APIs for seamless integration with business systems. It provides enhanced security, greater transparency, and improved traceability of the signing process, along with authentication of signer's identity. It helps users have quick, paperless, and efficient workflow, centralized document storage, and a complete audit trail of the signing process. It also safeguards documents from getting tampered.
